GP Education Program 2010

North Shore and Castlecrag Private Hospitals are pleased to announce our GP symposia for 2010 – Common Practice, an Active Learning Module in common general practice presentations. So to grab 40 category 1 points in this the last year of the current RACGP triennium, pick up your pen...

GP Education 2010

Program:

- 16 March **Watercourse**
all things urological featuring UTI's, stones, obstructions & incontinence
- 27 April **Orthopaedics (Castlecrag)**
- 19 May **Joint Venture 1**
shoulders, knees, hips & GP's
- 27 July **Plastic Surgery (Castlecrag)**
- 3 August **Red Flags**
women's health including abnormal bleeding, PCOS, endometriosis, menopause & more
- 20 October **Joint Venture 2**
hands, feet & ankles galore

If considering our active learning module – Common Practice – you must attend 3 nights and complete a predisposing and reinforcing activity. Full program details will be sent out prior to each event. You will need to register for each evening you wish to attend on the fax flyer for that event.
