# Pay to Stay

at North Shore Private Hospital

## About North Shore Private Hospital

The Maternity Services unit at North Shore Private have been serving our community since 1998. Our maternity services have been developed to provide flexibility and personalised care for all our patients during their journey into parenthood. We demonstrate a leading and innovative approach to outcome-focused care for women and their families during childbirth.

North Shore Private is co-located with Royal North Shore Hospital which allows us to provide our patients with the highest standard of private hospital care whilst having access to tertiary level care facilities if required (access to Neonatal Intensive Care at Royal North Shore Hospital is dependent on bed availability).

## Our facilities

- 7 refurbished and spacious birthing suites equipped with a central fetal monitoring system
- Level II Special Care Nursery with 13 cot facility
- 40 private postnatal rooms with ensuites, including 30 with double beds. 13 of these are luxury parenting suites with extra space for parents to rejuvenate and relax while getting to know their baby.
- 6 first night caesarean rooms with overnight partner accommodation

## Specialist Care

Choose your own specialist obstetrician who you will meet at regular intervals from pre-conception, pregnancy, birth and once your baby is born.

North Shore Private Hospital works with highly experienced and sought-after obstetricians, who will provide important personalised care throughout your pregnancy.

If you have specialised needs such as multiple births or infertility, we have experts who are trained to assist.

People caring for people.

**From preparing for birth and parenthood to welcoming your new baby into the world and beyond, we are here for your every step of the way.**

Our genuine and caring midwifery team provide around the clock support throughout your stay, plus additional support throughout your pregnancy, birth and as a new parent.

Following the birth of your baby, our team of caring and experienced maternity staff provide you and your partner with parenting education and support, including personalised information on feeding, sleep, settling, parenting skills, and taking your baby home from hospital.

## Pay-To-Stay Maternity Care Packages

Not everyone has private health insurance. You might choose not to take up the expense, might have fallen pregnant outside of your waiting period or are a visitor to Australia. This does not mean that you have to miss out on a private maternity experience at North Shore Private Hospital.

Overseas patients with no Medicare card are also encouraged to contact us for a competitive price.

We welcome all patients without private health insurance to consider a Pay-to-Stay maternity care package.
