Patient Safety & Quality

North Shore Private Hospital has a strong commitment to safety and quality and this is reflected in our approach to:

• Creating safe environments and systems of work for our staff;
• Reviewing and improving on a continuous basis the performance of our patient safety and quality systems;
• Assisting our healthcare professionals and Visiting Medical Practitioners to monitor the safety and quality of care they provide;
• Ensuring accountability for the safety and quality of care at all levels of our organisation reporting through to the Board of Ramsay Health Care.

Accreditation

Accreditation is an important driver for safety and quality improvement. Through accreditation Ramsay Health Care has been able to assess our level of performance in relation to established national and international standards and to implement ways to continuously improve our service delivery.

North Shore Private Hospital is accredited against the National Safety and Quality Health Service Standards, and is preparing for re-accreditation assessment to the 2nd Edition of the National Safety and Quality Health Service Standards in 2020.

North Shore Radiology & Nuclear Medicine is a comprehensive and integrated imaging practice, where our Radiologists and Nuclear Medicine Physicians work together as a team to provide a highly specialised service to our patients and their referrers.

Our Services

- 3T & 1.5 MRI
- 256 Slice CT
- PET/CT
- Angiography
- Cardiac Imaging
- Image Guided Biopsy
- MSK Injections
- Nuclear Medicine
- Doppler
- Fine Needle Biopsy
- Bone Densitometry
- Paediatric Imaging
- OPG
- Ultrasound
- Breast Imaging MRI, mammography plus Tomosynthesis
- MSK Imaging
- Interventional Procedures
- Oncological Imaging

Our Locations

North Shore Radiology and Nuclear Medicine
Ground Floor, North Shore Private Hospital
Westbourne Street St Leonards NSW 2065
Tel: (02) 8425 3666   Fax (02) 8425 3688

North Shore Radiology and Nuclear Medicine @ Northern Cancer Institute
38 Pacific Highway St Leonards NSW 2066
Tel: (02) 9468 1900   Fax (02) 9438 4697

North Shore Radiology and Nuclear Medicine @ Lane Cove
100 Longueville Road Lane Cove NSW 2066
Tel: (02) 9418 9096   Fax (02) 9418 9767

(02) 8425 3612 - Speak directly to a Radiologist on our dedicated line for all your clinical enquiries

**fast, reliable results for you and your patients.**

we accept all referrals and bulk bill.

Emotional health is just as important as physical health during pregnancy and early parenthood.

Gidget Foundation Australia is proud to support parents during the perinatal period.

In partnership with North Shore Private Hospital, Gidget Foundation Australia provide this support via its Emotional Wellbeing and Gidget House Programs.

The Australian National Perinatal Mental Health Guidelines (2011, 2017) recommend all pregnant women have a routine mental health check up. Gidget Foundation Australia has developed the Emotional Wellbeing Program which has been specifically created for use within the private hospital system. This unique screening program is implemented by North Shore Private Hospital in partnership with Gidget Foundation Australia.

Gidget House North Shore Private offers free psychological support services, delivered by perinatal mental health specialists, for people experiencing, or at risk of developing depressive, anxiety and trauma or stressor-related disorders, and who are pregnant or have a baby up to 12 months of age. Support is also provided to people who have experienced a pregnancy or childbirth-related loss within the last 12 months, such as stillbirth, miscarriage or termination. Partners are able to access these specialised services as well. A GP referral, including a mental health care plan, is required for free access to the service.

For more information contact 1300 851 758 or at gidgetfoundation.org.au
Entry via Ground Floor Entrance, North Shore Private Hospital 3 Westbourne St, St. Leonards NSW 2065 Ph: (02) 8425 3911 for more information
